

PHANTOM BLACK MINI UPLIGHT/DOWNLIGHT

Drawing CODE: UPL2

Product CODE: ISH-1202R-2W
 BRAND:ARCHLUX

Product description:

The Phantom Black Mini Uplight – 2W 24VDC is a premium compact LED uplight designed for elegant architectural, landscape, and outdoor accent lighting applications. Featuring a durable phantom black aluminum body and high-performance USA CREE LED technology, this mini fixture delivers precise and focused illumination with a narrow 10° beam angle, perfect for highlighting architectural details, plants, walls, columns, and landscape features.

Operating on a safe 24VDC low-voltage system, it provides efficient and reliable performance with excellent outdoor durability. The IP65 weatherproof rating ensures protection against dust and water, making it suitable for gardens, pathways, façades, and exterior architectural projects. Its compact recessed design allows seamless integration into modern landscape environments while maintaining a premium minimalist appearance.

Technical Specifications:

Parameter	Specification
Product Type	Mini LED Uplight
Series	Phantom Black
Power Consumption	2W
LED Source	USA CREE LED
Input Voltage	24V DC
Color Temperature	3000K Warm White
Beam Angle	10° Narrow Beam
Material	Aluminum
Body Finish	Phantom Black
Protection Rating	IP65
Fixture Diameter	Ø35 mm
Fixture Height	58 mm
Cut-Out Size	Ø30 mm
Installation Type	Recessed Ground Installation
Performance	Precise Beam Control, Energy Efficient, Outdoor Durable
Application	Landscape, Gardens, Pathways, Façades, Walls, Columns & Architectural Accent Lighting
