Product description:

The Micro Spotlight 3W is a premium architectural recessed LED spotlight engineered for precision accent lighting in modern interior spaces. Its ultra-compact design and narrow 10° beam make it ideal for highlighting artwork, display niches, shelving, architectural details, and decorative features while maintaining a clean, minimalist appearance.

Powered by a high-performance USA 3W CREE LED chip, the fixture delivers warm white 3000K illumination with excellent color rendering (CRI ≥90), ensuring natural color reproduction and outstanding visual comfort. Constructed from durable aluminum, the Micro Spotlight 3W features a White body with interchangeable Matt White or Matt Black front frames, allowing seamless integration into a wide range of contemporary architectural interiors.
