

MZ FRAME SPOT LIGHT

Drawing CODE: AW-MZ-GD-XX

Product CODE: ISH-AW-MZ-GD-XX

BRAND:ARCHLUX

Product description:

The MZ Spotlight Light Module 6W is a premium modular LED spotlight designed for the MZ Square Frame series, delivering precise and elegant architectural illumination for modern interior applications. Engineered for seamless integration with MZ frames, it provides focused accent lighting suitable for residential, retail, hospitality, and commercial environments.

Powered by a high-performance CREE LED chip with a reliable Lifud driver, the module delivers warm white 3000K illumination with excellent color rendering (CRI ≥90) and a focused 24° beam angle for accurate light distribution. Constructed from durable aluminum with a PC baffle, the module ensures efficient heat dissipation, stable performance, and a premium architectural appearance. Available in White, Black, and Gold finishes to complement different interior design styles.

Technical Specifications:

Parameter	Specification
Product Type	MZ Spotlight LED Module
LED Source	CREE LED Chip
Driver	Lifud Driver
Power Consumption	6W
Input Voltage	AC200–240V, 50/60Hz
Color Temperature	3000K Warm White
CRI	≥90
Beam Angle	24°
Luminous Flux	387.5 lm
Material	Aluminum + PC Baffle
Protection Rating	IP20
Module Size	44.3 × 44.3 × 119 mm
Installation Type	MZ Frame Module Installation
Finish Options	White / Black / Gold
Application	Residential, Retail, Hospitality & Architectural Lighting
