

MZ WALL WASHER MODULE

Drawing CODE: AW-MZ-WW-XX

Product CODE: ISH-AW-MZ-WW-XX

BRAND:ARCHLUX

Product description:

The MZ Wall Washer Module 6W is a premium modular LED lighting component designed for the MZ Square Frame series, providing smooth and elegant wall-washing illumination for modern architectural interiors. Engineered to create soft, even light distribution, it is ideal for highlighting walls, textures, artwork, and decorative architectural features.

Powered by a high-performance CREE LED chip combined with a reliable Lifud driver, the module delivers warm white 3000K illumination with excellent color rendering (CRI ≥90) and a controlled 24° beam angle for precise lighting effects. Constructed from durable aluminum with a PC baffle, it ensures efficient heat dissipation, stable performance, and long lifespan. Available in White and Black finishes to match various interior design concepts.

Technical Specifications:

Parameter	Specification
Product Type	MZ Wall Washer LED Module
LED Source	CREE LED Chip
Driver	Lifud Driver
Power Consumption	6W
Input Voltage	AC200–240V, 50/60Hz
Color Temperature	3000K Warm White
CRI	≥90
Beam Angle	24°
Luminous Flux	325 lm
Material	Aluminum + PC Baffle
Protection Rating	IP20
Module Size	44.3 × 44.3 × 80.3 mm
Installation Type	MZ Frame Module Installation
Finish Options	White / Black
Application	Residential, Retail, Hospitality & Architectural Wall Lighting
