

Ceiling Mounted Laser Light

Drawing CODE: CLS

Product CODE: ISH-CLS80042

BRAND:ARCHLUX

Product description:

The Ceiling Mounted Laser Light is a professional waterproof LED downlight designed for reliable ceiling-mounted lighting in indoor and outdoor environments. Featuring an 8W CREE USA LED chip, 3000K warm white illumination, and a focused 30° beam angle, it provides precise and comfortable lighting. Its durable powder-coated aluminium housing and IP65 protection offer resistance to dust and water, while the wide working temperature range of -20°C to 55°C ensures reliable performance in demanding environments.

Technical Specifications:

Feature	Description
Product Type	Waterproof Ceiling Mounted LED Downlight
Rated Power	8W
Color Temperature	3000K Warm White
LED Chip	CREE USA Chip
Input Voltage	220–240 VAC
Beam Angle	30°
IP Rating	IP65
Working Temperature	-20°C to 55°C
Material	Aluminium Housing
Finish	Powder Coating
Size	80 × 80 × 90 mm
Performance	Focused illumination, waterproof protection, durable aluminium construction, reliable temperature performance, and high-quality LED lighting
Application	Ceiling-mounted lighting, outdoor covered areas, commercial spaces, residential areas, and other applications requiring waterproof downlighting
Usage	Designed for reliable illumination in environments requiring protection against dust and water
