

CEILING MOUNTED HIGHLIGHTING FIXTURE

Drawing CODE: CSU

Product CODE: ISH-CSU0115-C-WB

Product description:

The **Adjustable Ceiling Mounted LED Spotlight 15W** is a premium architectural surface-mounted spotlight designed for modern residential, retail, hospitality, and commercial interiors. Its sleek cylindrical design and adjustable mechanism provide precise accent lighting, making it ideal for illuminating artwork, display areas, feature walls, and architectural details.

Powered by a high-performance **USA CREE LED chip**, the fixture delivers warm white **3000K** illumination with excellent color rendering for comfortable and natural lighting. Featuring **320° horizontal rotation** and **vertical tilt adjustment**, it offers maximum flexibility to direct light exactly where it is needed. Finished in elegant **Matt White**, the durable aluminum construction ensures excellent heat dissipation and long-lasting performance.

Technical Specifications:

- Colour: White
- LED Chip: CREE USA
- Watt: 15w
- CCT: 3000K
- Installation: Ceiling mounted
- Adjustment: 320 Degree
- Vertical tilting: yes
