

MODERN SLIM WALL LIGHT - 2 DIRECTION

Drawing CODE: ESPL

Product CODE: ISH-ESPL-GL17210-BK

BRAND:ARCHLUX

Product description:

The Modern Slim Wall Light – 2 Direction is a premium outdoor LED wall light designed for architectural façade lighting, modern exterior enhancement, and landscape illumination. Powered by high-performance German OSRAM SMD LED technology, this fixture delivers efficient and reliable lighting with excellent color stability and long service life.

Featuring 2 high-quality LED chips, it provides focused two-directional illumination while maintaining efficient energy consumption. The robust die-cast aluminum body combined with a durable PC diffuser provides excellent heat dissipation, impact resistance, and long-term reliability. With an IP65 weatherproof rating, it is suitable for demanding outdoor environments and a wide range of residential, commercial, and hospitality applications.

Technical Specifications:

Parameter	Specification
Product Type	Outdoor LED Wall Light
LED Quantity	2 PCS
LED Source	German OSRAM
Power Consumption	11W
Input Voltage	100–240V AC
Color Temperature (CCT)	3000k
Color Rendering Index (CRI)	≥90
Material	Die-Cast Aluminum + PC Diffuser
Finish	Black
Dimensions	200 × 106 × 62 mm
Protection Rating	IP65 Weatherproof
Light Distribution	2-Direction
Performance	High Efficiency, Stable Output, Long Lifespan
Installation Type	Wall Mounted
Application	Façades, Entrances, Corridors, Balconies, Villas, Hotels, Gardens, Pathways & Commercial Buildings
