

MODERN WALL LIGHT - ONE DIRECTION 7W

Drawing CODE: ESPL

Product CODE: ISH-ESPL-GL17301

BRAND:ARCHLUX

Product description:

The Modern Wall Light – One Direction 7W is a premium outdoor LED wall light designed for modern architectural façade lighting, exterior accent illumination, and residential and commercial applications. Powered by high-performance German OSRAM 3030 SMD LED technology, it provides efficient, stable, and reliable illumination with excellent light quality.

Featuring 6 high-performance LEDs and a CRI >90, this fixture delivers bright and natural light that enhances architectural details, textures, entrances, and exterior surfaces. Its durable die-cast aluminum and PC construction provides excellent heat dissipation and long-term durability.

With an IP65 weatherproof rating, the fixture is designed to withstand outdoor environmental conditions, making it suitable for façades, villas, hotels, pathways, gardens, entrances, and other architectural exterior applications.

Technical Specifications:

Parameter	Specification
Product Type	Outdoor LED Wall Light – One Direction
LED Type	3030 SMD LED
LED Quantity	6 PCS
LED Brand	German OSRAM
Power Consumption	7W
Input Voltage	100–240V AC
CRI	>90
Material	Die-Cast Aluminum + PC
Finish	Black
Dimensions	162 × 90 × 96.2 mm
Protection Rating	IP65
Light Direction	One Direction
Performance	High CRI, Energy Efficient, Stable Output
Installation Type	Wall Mounted
Application	Façades, Villas, Hotels, Corridors, Entrances, Pathways, Gardens & Commercial Buildings
