

MODERN WALL LIGHT - 2 DIRECTION 13W

Drawing CODE: ESPL

Product CODE: ISH-ESPL-GL17302

BRAND:ARCHLUX

Product description:

The Modern Wall Light – 2 Direction 13W is a premium outdoor LED wall light designed for modern architectural façade lighting, exterior accent illumination, and professional landscape applications. Powered by high-performance German OSRAM 3030 SMD LED technology, this 13W fixture delivers bright, efficient, and reliable illumination with excellent color quality.

Featuring 12 high-performance LEDs and a CRI >90, it produces natural and vivid light that enhances architectural surfaces, textures, and exterior features. The two-direction lighting design provides balanced illumination while creating an attractive architectural lighting effect.

Constructed from durable die-cast aluminum and PC, the fixture provides excellent heat dissipation, impact resistance, and long-term reliability. With an IP65 weatherproof rating, it is suitable for demanding outdoor environments across residential, commercial, hospitality, and landscape applications.

Technical Specifications:

Parameter	Specification
Product Type	Outdoor LED Wall Light – 2 Direction
LED Type	3030 SMD LED
LED Quantity	12 PCS
LED Brand	German OSRAM
Power Consumption	13W
Input Voltage	100–240V AC
CRI	>90
Material	Die-Cast Aluminum + PC
Finish	Black
Dimensions	200 × 90 × 96.2 mm
Protection Rating	IP65
Light Direction	Two Direction
Performance	High Brightness, High CRI, Energy Efficient
Installation Type	Wall Mounted
Application	Façades, Villas, Hotels, Corridors, Entrances, Pathways, Gardens & Commercial Buildings
