

MINI ADJUSTABLE TELESCOPE

Drawing CODE: F09

Product CODE: ISH-F-F09-BB

BRAND:ARCHLUX

Product description:

The Mini Adjustable Telescope 6W is a premium architectural LED spotlight designed for precise and flexible accent lighting in modern residential, hospitality, retail, and commercial interiors. Featuring a telescopic adjustable design, the fixture extends and tilts to provide accurate illumination for artwork, display shelves, feature walls, and architectural details while maintaining a sleek, minimalist appearance.

Powered by a high-performance German OSRAM LED chip and a reliable Eaglerise driver, the fixture delivers warm white 3000K illumination with excellent efficiency and long-lasting performance. Finished in Black, its narrow 12° beam angle creates sharp, focused lighting, making it ideal for high-end architectural applications requiring precision illumination.

Technical Specifications:

Parameter	Specification
Product Type	Mini Adjustable Telescope LED Spotlight
LED Source	German OSRAM LED Chip
Driver	Eaglerise Driver
Power Consumption	6W
Input Voltage	AC220–240V, 50/60Hz
