

6 Inch Smart Home Control Screen

Drawing CODE: F6-1-MAX-TUYA

Product CODE: ISH-F6-1-MAX-TUYA

BRAND: Link

Product description:

The ISH-F6-1-MAX-TUYA is a 6-inch smart home control panel designed to provide centralized control of lighting, scenes, and smart home devices through the Tuya ecosystem. Featuring a Full HD color touchscreen, Wi-Fi and Bluetooth connectivity, and integrated audio capabilities, the panel serves as a modern wall-mounted control center for residential and hospitality applications.

In addition to smart home control, the device supports Bluetooth music playback and prayer time (Azan) notifications, making it suitable for residential, villas, apartments, hotels, and smart building projects.

Features:

- 6-inch Full HD Color Touch Screen
- Tuya Smart Home Integration
- Wi-Fi Connectivity
- Bluetooth Connectivity
- Built-in Scene Control
- Music Playback via Bluetooth
- Prayer Time (Azan) Support
- Smart Lighting & Device Control
- Modern Slim Design
- Wall-Mounted Installation
