

FRAMELESS GYPSUM LIGHT SQUARE DOUBLE

Drawing CODE: DL

Product CODE: ISH-GC1028

BRAND:ARCHLUX

Product description:

The Frameless Gypsum Light Square Double is a premium recessed lighting fixture designed for elegant and seamless interior lighting applications. Featuring a trimless, invisible-frame design, it integrates smoothly into the ceiling to create a clean, minimalist, and modern appearance.

Manufactured from white natural plaster, the fixture provides a refined architectural finish while maintaining durable construction. Equipped with ceramic GU10 lamp holders and designed for a 220–240V supply, it provides a practical and flexible lighting solution for a wide range of interior applications.

The recessed installation and seamless ceiling integration make it suitable for residential interiors, hotels, offices, commercial spaces, corridors, living areas, and other modern architectural lighting environments. Its easy installation and maintenance further enhance its practicality for long-term use.
