

MODERN MINI WALL LIGHT - 1 DIRECTION

Drawing CODE: GL13105

Product CODE: ISH-GL13105-2Y

BRAND:ARCHLUX

Product description:

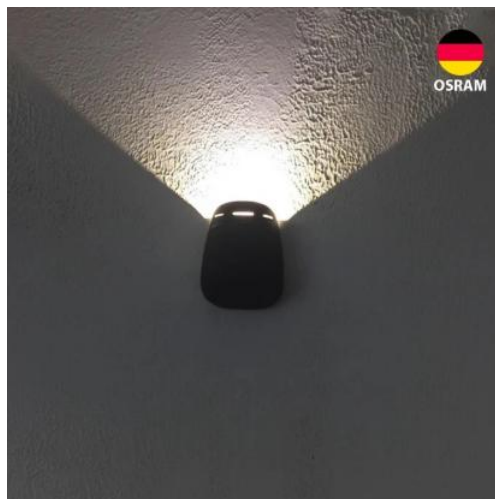

The Modern Mini Wall Light – 1 Direction is a premium outdoor LED wall light designed for architectural accent lighting, pathway illumination, and modern exterior applications. Powered by high-performance German OSRAM 3030 SMD LED technology, this compact fixture provides efficient and reliable illumination with low energy consumption.

Featuring 3 LED chips, it delivers balanced and focused light output while maintaining excellent energy efficiency. The durable die-cast aluminum and glass construction provides effective heat dissipation, impact resistance, and long-term reliability. With an IP54 protection rating, the fixture offers resistance against dust and water splashes, making it suitable for semi-outdoor environments.

Its compact modern design makes it ideal for residential, commercial, hospitality, and architectural lighting projects where subtle yet effective illumination is required.

Technical Specifications:

Parameter	Specification
Product Type	Outdoor LED Wall Light
LED Type	3030 SMD LED
LED Quantity	3 PCS
LED Source	German OSRAM
Power Consumption	3.5W
Input Voltage	100–240V AC
Material	Die-Cast Aluminum + Glass
Protection Rating	IP54
Light Distribution	1-Direction
Performance	Energy Efficient, Stable Light Output
Design	Compact Modern Architectural Fixture
Installation Type	Wall Mounted
Application	Façades, Corridors, Entrances, Balconies, Gardens, Pathways, Villas, Hotels & Commercial Spaces
