

TREE DOUBLE ACTION SPIKE

Drawing CODE: GL15304

Product CODE: ISH-GL15304

BRAND:
 ARCHLUX

Product description:

The Tree Double Action Spike is a premium adjustable landscape spotlight designed for professional tree illumination, garden lighting, and architectural outdoor applications. Featuring a 9W high-efficiency LED with 900 lumens of output, it delivers bright and uniform illumination while maintaining low energy consumption.

Its dual-action adjustable spike design provides flexible directional control, allowing the light to be accurately positioned to highlight trees, plants, garden features, and architectural elements. Constructed from durable die-cast aluminum with a high-quality PC optical diffuser, it offers excellent heat dissipation, durability, and consistent light distribution.

With an IP65 weatherproof rating, the fixture is built to withstand outdoor conditions and provide reliable year-round performance. Its ERP energy efficiency certification further supports its suitability for professional landscape and architectural lighting projects.

Technical Specifications:

Parameter	Specification
Product Type	Tree Double Action Spike Spotlight
Power Consumption	9W
Luminous Flux	900 lm
Color Temperature (CCT)	3000K Warm White
Protection Rating	IP65
Material	Die-Cast Aluminum + PC Diffuser
Diffuser Type	High-Quality Optical PC Lens
Installation Type	Dual-Action Adjustable Spike Mount
Adjustment	Dual-Direction Adjustable
Certification	ERP Energy Efficiency Certified
Performance	High Brightness, Uniform Distribution, Directional Control
Application	Tree Lighting, Landscape Lighting, Garden Accent Lighting & Architectural Outdoor Illumination
