Product CODE: ISH-H-M10S-WB/BB

BRAND:ARCHLUX

Product description:

The Modern Square Laser Downlight 10W is a premium recessed architectural LED downlight designed to deliver precise and elegant accent lighting for contemporary interior spaces. Its compact square design and laser-style optics provide clean architectural aesthetics with controlled illumination, making it ideal for residential, hospitality, retail, galleries, and commercial environments.

Powered by a high-performance German OSRAM LED chip and a reliable Eaglerise driver, the fixture delivers warm white 3000K illumination with a focused 24° beam angle for excellent visual comfort and accurate light distribution. Available in White and Black finishes, the Modern Square Laser Downlight complements a wide range of modern architectural interiors while ensuring long-lasting, energy-efficient performance.
