

Skirting Flush Dry Wall Profile

Drawing CODE: ALU

Product CODE: ISH-H05-1.5M

BRAND:ARCHLUX

Product description:

The Skirting Flush Dry Wall Profile is a premium recessed aluminium profile designed for seamless LED strip lighting installations along wall skirting and plaster surfaces. Featuring a single-flange aluminium construction with a compact 1.33 × 1.3 cm profile, it provides a clean and discreet flush finish while allowing LED lighting to integrate smoothly into the wall structure. With a 1.5-meter length, it offers a practical solution for modern interior and architectural linear lighting applications.
