

LINEAR WALL WASHER 10W

Drawing CODE: LINEARFL

Product CODE: ISH-IM-08-WB

BRAND:ARCHLUX

Product description:

The Adjustable Linear Spotlight 8W is a premium recessed architectural LED fixture designed for precise and flexible accent lighting in modern residential, hospitality, retail, and commercial interiors. Its adjustable linear design allows accurate light positioning, making it ideal for highlighting artwork, display shelves, feature walls, and architectural details while maintaining a clean, contemporary appearance.

Powered by a high-performance German OSRAM LED chip and a reliable Eaglerise driver, the fixture delivers warm white 3000K illumination with excellent efficiency and long-lasting performance. Featuring a White frame with a Black inner reflector, it enhances visual comfort while reducing glare. The narrow 15° beam angle provides sharp, focused illumination for professional architectural lighting applications.

Technical Specifications:

Parameter	Specification
Product Type	Adjustable Linear LED Spotlight
LED Source	German OSRAM LED Chip
Driver	Eaglerise Driver
Power Consumption	8W
Input Voltage	AC220–240V, 50/60Hz
