

MINI PHANTOM BLADE TELESCOPIC

Drawing CODE: L00205-XX

Product CODE: ISH-KIT-L00205-XX

BRAND:ARCHLUX

Product description:

The MINI PHANTOM BLADE TELESCOPIC is a premium architectural LED fixture engineered for precision accent lighting in sophisticated interior environments. Its deep anti-glare design minimizes glare while delivering a focused beam of warm white illumination, making it ideal for highlighting architectural features, artwork, retail displays, and decorative elements with exceptional visual comfort.

Powered by a high-performance USA LED chip, the spotlight produces warm white 3000K light with excellent color rendering (CRI ≥90), ensuring accurate color reproduction and enhanced aesthetics. Constructed from durable aluminum, the fixture features a Matt Black body with interchangeable Matt White or Matt Black front frames, allowing designers to match different interior styles while maintaining a sleek architectural appearance.

Technical Specifications:

Parameter	Specification
Product Type	Ultra-Compact Recessed LED Spotlight
LED Source	USA LED Chip
Power Consumption	5W
Input Voltage	AC220–240V, 50/60Hz
Color Temperature	3000K Warm White
CRI	≥90
Beam Angle	20°
Design	Anti-Glare Structure
Protection Rating	IP20
Fixture Size	Ø35 mm
Material	Aluminum
Installation Type	Recessed
Application	Residential, Retail & Architectural Interior Lighting

Color Variants:

Model Code	Body Color	Frame Color
ISH-KIT-L00205-WH	Matt Black	Matt White
ISH-KIT-L00205-BL	Matt Black	Matt Black
