

MINI PHANTOM BLADE DOWNLIGHT

Drawing CODE: Q00409-XX

Product CODE: ISH-KIT-Q00409-XX

BRAND:ARCHLUX

Product description:

The Premium Recessed Downlight is a high-performance architectural LED fixture designed to provide precise and elegant illumination for contemporary interior spaces. Featuring a honeycomb anti-glare structure, it minimizes glare while delivering focused, comfortable lighting, making it ideal for luxury residential, retail, hospitality, and commercial applications.

Powered by a high-performance USA CREE LED chip, the fixture produces warm white 3000K illumination with excellent color rendering (CRI ≥90), ensuring natural color reproduction and superior visual comfort. Constructed from durable aluminum, the downlight features a Matt Black body with interchangeable Matt White or Matt Black front frames, offering flexibility to complement a wide range of modern interior designs while maintaining a premium architectural appearance.

Technical Specifications:

Parameter	Specification
Product Type	Premium Recessed LED Downlight
