

SOFT NARROW WALL LIGHT - 2 DIRECTIONS

Drawing CODE: LB013

Product CODE: ISH-LB013

BRAND:ARCHLUX

Product description:

The Soft Narrow Wall Light – 2 Directions is a premium architectural LED wall light designed to create elegant up-and-down lighting effects for modern interior spaces. Featuring a two-direction light distribution, it delivers soft, focused illumination that enhances walls, corridors, staircases, and architectural features while creating a warm and sophisticated ambiance.

Powered by a high-performance USA CREE LED chip, the fixture provides warm white 3000K illumination with excellent energy efficiency and long-lasting performance. Constructed from durable aluminum and finished in Black, it features a hidden side screw installation for a clean, seamless appearance that complements contemporary residential, hospitality, retail, and commercial interiors.
