

SOFT NARROW WALL LIGHT - 4 DIRECTIONS

Drawing CODE: LB014

Product CODE: ISH-LB014

BRAND:ARCHLUX

Product description:

The Soft Narrow Wall Light – 4 Directions is a premium architectural LED wall light designed to create elegant multi-directional lighting effects for modern interior spaces. Featuring a unique four-direction light distribution, it produces soft, focused illumination that enhances walls, corridors, staircases, and decorative architectural features with a sophisticated ambient effect.

Powered by a high-performance USA CREE LED chip, the fixture delivers warm white 3000K illumination with excellent energy efficiency and long-lasting performance. Constructed with a durable housing and finished in Black, it features a hidden side screw installation for a clean, seamless appearance that complements contemporary residential, hospitality, retail, and commercial interiors.
