

LINEAR BLADE 12W DOWNLIGHT

Drawing CODE: MI

Product CODE: ISH-MI-12-WB

BRAND:ARCHLUX

Product description:

The Linear Blade Downlight 12W is a premium recessed architectural LED fixture designed to deliver precise, glare-controlled illumination with a sleek linear profile. Its slim blade design makes it an excellent choice for modern residential, hospitality, retail, and commercial interiors, providing elegant accent and general lighting while maintaining a clean architectural appearance.

Powered by a high-performance German OSRAM LED chip and a reliable Lifud driver, the fixture delivers warm white 3000K illumination with excellent efficiency and consistent performance. Featuring a White frame with a Black inner reflector, it enhances visual comfort while adding a sophisticated architectural finish. The 38° beam angle provides balanced and focused light distribution, making it ideal for highlighting interior spaces and architectural details.

Technical Specifications:
