

EMERGENCY MINI LIGHT

Drawing CODE: **MINIEM3W**

Product CODE: ISH-MINIEM3W

BRAND:ARCHLUX

Product description:

The Emergency Mini Light 3W is a compact recessed LED emergency lighting fixture designed to provide reliable illumination during power outages. Engineered for safety and efficiency, it automatically operates in emergency mode, delivering dependable lighting for up to 3 hours to assist safe evacuation in residential, commercial, hospitality, and public buildings.

Featuring a 6000K daylight white LED light source and a compact design, the fixture delivers 150 lumens of emergency illumination while maintaining low power consumption. Finished in White and rated IP30, the Emergency Mini Light is ideal for indoor emergency lighting applications requiring dependable backup performance.
