

Magnetic Flood Light

Drawing CODE: MTL

Product CODE: ISH-MTL01-F

BRAND:ARCHLUX

Product description:

The Magnetic Flood Light is a premium architectural LED fixture designed for 48V DC magnetic track lighting systems, providing wide, uniform illumination for modern residential, commercial, retail, and hospitality interiors. Featuring a high-performance OSRAM LED source and durable aluminum construction, it delivers exceptional lighting efficiency while maintaining a sleek and contemporary architectural appearance.

Designed with a 120° wide beam angle, the fixture produces smooth, glare-free illumination with CRI 90 for accurate color reproduction and a high luminous efficiency of 100 lm/W. Available in 24W and 36W versions, it is ideal for general lighting, open spaces, retail environments, offices, and architectural applications requiring broad and comfortable light distribution.

Technical Specifications:

Parameter	Specification
Product Type	Magnetic Flood Light
Available Power	24W / 36W
Input Voltage	48V DC
LED Source	OSRAM LED
Color Temperature	3000K Warm White
Color Rendering Index (CRI)	90
Luminous Efficiency	100 lm/W
Beam Angle	120°
Material	Aluminum
Body Finish	Black
Installation Type	Magnetic Track Mounted
Protection Rating	IP20
Application	Homes, Offices, Hotels, Retail Stores, Commercial Buildings & Hospitality Projects
