

Magnetic Track Driver

Drawing CODE: MTL

Product CODE: ISH-MTL-P

BRAND:ARCHLUX

Product description:

The Magnetic Ceiling Grille Light is a premium architectural LED fixture designed for 48V DC magnetic track lighting systems, delivering precise and comfortable illumination for modern residential, commercial, retail, and hospitality interiors. Its slim grille design, premium aluminum body, and PMMA optical diffuser create a clean architectural appearance while providing excellent visual comfort and glare control.

Powered by a high-performance OSRAM LED chip, the fixture delivers warm white 3000K illumination with Ra90 color rendering for accurate color reproduction and superior lighting quality. Featuring a 24° beam angle, it is ideal for accent lighting, display lighting, and architectural applications. Available in 3W, 6W, 12W, 18W, and 24W versions, it offers flexible lighting solutions for a variety of project requirements.

Technical Specifications:

Parameter	Specification
Product Type	Magnetic Ceiling Grille Light
Available Power	3W / 6W / 12W / 18W / 24W
Input Voltage	48V DC
LED Source	OSRAM LED Chip
Color Temperature	3000K Warm White
Color Rendering Index (Ra)	90
Beam Angle	24°
Material	Aluminum + PMMA
Body Finish	Black
Installation Type	Magnetic Track Mounted
Protection Rating	IP20
Application	Homes, Offices, Hotels, Retail Stores, Commercial Buildings & Hospitality Projects
