

LED Mini Spike Spotlight ARCHLUX

Drawing CODE: N-SPK-BL

Product CODE: ISH-N-SPK-BL

BRAND:ARCHLUX

Product description:

The ISH-N-SPK-BL is a compact outdoor LED spike spotlight designed for landscape, garden, and architectural lighting applications. Featuring a durable aluminum housing, high-quality Bridgelux LED chip, and a compact Ø41 mm light head, it provides precise accent lighting with reliable outdoor performance.

The fixture includes a ground spike for easy installation and a 1-meter cable for convenient connection. Its robust construction and weather-resistant design make it suitable for residential and commercial outdoor environments.

Key Features:

- Bridgelux LED light source
- Compact Ø41 mm spotlight head
- Aluminum housing construction
- Warm White 3000K
- Ground spike mounting
- 1 m pre-wired cable
- AC100–240V direct input

Technical Specifications:

Parameter	Specification
Model Code	ISH-N-SPK-BL
Product Type	LED Mini Spike Spotlight
Input Voltage	AC100–240V
Power Consumption	3W
LED Chip	Bridgelux LED
Color Temperature	3000K
Housing Material	Aluminum
Light Head Diameter	Ø41 mm
Cover Type	Short Cover
Cable Length	1 m
Mounting Type	Ground Spike
Warranty	2 Years
