

ADJUSTABLE WALL WASHER

Drawing CODE: ON

Product CODE: ISH-ONDOT5

BRAND:ARCHLUX

Product description:

The Adjustable Wall Washer 10W is a premium recessed architectural LED fixture designed to deliver smooth and uniform wall-washing illumination for modern interior environments. Featuring a dual-direction adjustable mechanism, it allows precise beam positioning to enhance walls, artwork, textures, and architectural details with exceptional lighting control.

Manufactured from premium pure aluminum made in Spain and powered by a top-class Italian driver, the fixture combines superior thermal performance, reliability, and long service life. Delivering warm white 3000K illumination with CRI 90 and a 35° beam angle in both directions, it provides comfortable, high-quality lighting for luxury residential, hospitality, retail, galleries, and commercial spaces.
