

Wifi & BT Audio Streamer

Drawing CODE: S10+

Product CODE: ISH-S10+

BRAND: Link

Product description:

The S10+ is a compact wireless network streamer and preamplifier designed to add high-resolution wireless audio streaming capabilities to existing stereo systems. Supporting Wi-Fi, Bluetooth, and Ethernet connectivity, it enables seamless music playback from smart devices, USB storage, NAS systems, and popular online streaming services. With support for multiroom audio, high-resolution decoding, and both analog and digital audio outputs, the S10+ provides a flexible and convenient solution for modern wireless audio applications.

Features:

Feature	Description
Wireless Audio Streaming	Supports Wi-Fi, Bluetooth 5.0, and Ethernet network connectivity
Multiroom Audio	Enables synchronized music playback across multiple compatible devices
High-Resolution Audio	Supports audio decoding up to 24-bit / 192kHz
Multiple Music Sources	Supports streaming from online services, NAS, USB storage, Bluetooth, and line-in sources
Analog & Digital Outputs	Features both analog line-out and optical digital output
Streaming Protocol Support	Compatible with AirPlay, DLNA, UPnP, Spotify Connect, and Qplay
Lossless Audio Playback	Supports FLAC, MP3, AAC, AAC+, ALAC, APE, and WAV formats
Bluetooth Audio Reception	Bluetooth 5.0 connectivity with transmission distance up to 15 meters
Touch Control Interface	Equipped with sensitive touch buttons for convenient operation
DSP Audio Tuning	Compatible with ACP Workbench software for advanced audio adjustments
Mobile App Control	Managed through the 4STREAM application for Android and iOS devices
Flexible Integration	Easily connects to existing stereo and audio systems

Technical Specifications:

Parameter	Specification
Product Type	Wireless Network Streamer / Preamplifier
Wireless Network	IEEE 802.11 b/g/n 2.4GHz
Ethernet Port	1 × 10/100 Mbps RJ45
Bluetooth Version	Bluetooth 5.0
Bluetooth Range	Up to 15 m
USB Host	USB 2.0
Power Input	5V / 1A USB Type-C
Audio Output	3.5 mm Analog Output, Optical Output
Audio Input	3.5 mm Analog Input, USB Type-A, USB Type-C
Frequency Response	20Hz – 20kHz
Signal-to-Noise Ratio (SNR)	91 dB
THD	0.03%
Audio Formats	FLAC, MP3, AAC, AAC+, ALAC, APE, WAV
Audio Decoding	Up to 24-bit / 192kHz
Streaming Protocols	AirPlay, DLNA, UPnP, Spotify Connect, Qplay
Dimensions	108 × 72 × 26.6 mm
Weight	105 g
