

MINI FLOOD BEAM LIGHT

Drawing CODE: SD203C05

Product CODE: ISH-SD203C05

BRAND:ARCHLUX

Product description:

The Phantom Compact Downlight is a premium architectural recessed LED luminaire designed to provide smooth, uniform, and elegant illumination for contemporary interior environments. Its compact design allows seamless integration into ceilings while delivering exceptional lighting performance, making it ideal for residential, hospitality, retail, and commercial applications.

Powered by a high-performance USA CREE LED source, the fixture produces a warm white 3000K light with excellent color rendering (CRI ≥90), ensuring accurate color reproduction and enhanced visual comfort. Featuring a durable aluminum construction, wide 60° beam angle, and IP54 protection rating, the Phantom Compact Downlight combines reliability, efficiency, and modern aesthetics in a sleek Matt Black finish.

Technical Specifications:

Parameter	Specification
Product Type	Phantom Compact LED Downlight
LED Source	USA CREE
Power Consumption	5W
Input Voltage	AC220–240V, 50/60Hz
Color Temperature	3000K
