

PHANTOM BLADE DOWNLIGHT

Drawing CODE: SD226A09

Product CODE: ISH-SD226A09

BRAND:ARCHLUX

Product description:

The Phantom Blade Downlight is a high-performance recessed LED spotlight designed for premium residential, commercial, retail, and hospitality environments. Featuring a sophisticated blade-style design with integrated honeycomb anti-glare technology, it delivers precise and comfortable illumination while minimizing glare.

Powered by a premium USA Luminus LED source, the fixture produces warm white 3000K light with exceptional color rendering (CRI 90), making it ideal for accent lighting, display highlighting, and architectural applications. Available in Matt White and Matt Black finishes with Chrome Black trim and Honeycomb accessory, the Phantom Blade Downlight combines elegant aesthetics with superior lighting performance.
