

MINI FRAMING LIGHT 3W

Drawing CODE: SD96203

Product CODE: ISH-SD96203

BRAND:ARCHLUX

Product description:

The Mini Framing Light 3W is a premium architectural recessed LED spotlight designed for precise accent lighting in modern interior environments. Its ultra-compact design and focused beam make it ideal for illuminating artwork, display cabinets, retail shelves, galleries, and architectural features while maintaining a clean, minimalist appearance.

Powered by a high-performance USA LED chip, the fixture delivers warm white 3000K illumination with excellent color rendering (CRI ≥90), ensuring natural color reproduction and exceptional visual comfort. Constructed from durable aluminum, the Mini Framing Light 3W offers flexible installation, allowing the spotlight module to be mounted in either a fixed frame or an adjustable frame for precise beam aiming. Available with Matt White or Matt Black inner finishes, it provides versatility for a variety of contemporary architectural designs.
