

HIGH CEILING MINI LIGHT

Drawing CODE: SL74382-10W

Product CODE: ISH-SL74382-10W

BRAND:ARCHLUX

Product description:

The High Ceiling Mini Light 10W is a premium architectural recessed LED spotlight specifically designed for spaces with high ceilings, delivering powerful and precise accent illumination. Its compact cylindrical design provides focused lighting with excellent beam control, making it ideal for luxury residences, retail stores, galleries, museums, hotels, and other premium commercial interiors.

Powered by a high-performance USA CREE LED chip, the fixture delivers warm white 3000K illumination with excellent color rendering (CRI ≥90), ensuring accurate color reproduction and exceptional visual comfort. Constructed from durable aluminum, the High Ceiling Mini Light 10W features a Matt White finish with Black inner, combining modern aesthetics with reliable long-term performance for demanding architectural lighting applications.
