

CEILING MOUNTED ADJUSTABLE LIGHT - 12W

Drawing CODE: SLC

Product CODE: ISH-SLC74386

BRAND:ARCHLUX

Product description:

The Ceiling Mounted Adjustable Light 12W is a premium indoor LED spotlight designed for modern architectural lighting, retail displays, and residential ceiling applications. Featuring advanced USA Bridgelux LED technology, this fixture delivers focused, efficient, and stable illumination with excellent color accuracy and long-lasting performance.

The precise 20° focused beam angle provides controlled directional lighting, making it ideal for highlighting artwork, walls, displays, and interior design elements. Constructed from pure aluminum with a premium sand white + black finish, it ensures excellent heat dissipation, durability, and a refined contemporary appearance. With CRI >90, it delivers natural and vivid color rendering for professional indoor lighting environments.

Technical Specifications:

Parameter	Specification
Product Type	Ceiling Mounted Adjustable LED Spotlight
LED Source	USA Bridgelux LED
Power Consumption	12W
Input Voltage	240V AC
Color Temperature (CCT)	3000K
Color Rendering Index (CRI)	>90
Beam Angle	20° Focused Beam
Material	Pure Aluminum
Finish	Sand White + Black
Fixture Size	Ø90 × 120 mm
Cut-Out Size	Ø75 mm
Protection Rating	IP20 (Indoor Use)
Installation Type	Ceiling Mounted Adjustable Installation
Performance	High Brightness, Focused Lighting, Energy Efficient
Design	Modern Adjustable Architectural Spotlight
Application	Homes, Hotels, Retail Stores, Showrooms, Galleries, Offices & Commercial Interiors
