

Ceiling Mounted Mini Downlight

Drawing CODE: SLC-1

Product CODE: ISH-SLC78019-1-5W

BRAND:
 ARCHLUX

Product description:

The Ceiling Mounted 5W is a premium architectural LED downlight designed for high-ceiling interiors (3–4 m) in residential, commercial, retail, and hospitality environments. Featuring a compact square profile with a refined Sand White exterior and Black inner finish, it offers a clean architectural appearance while delivering precise accent illumination.

Powered by a high-performance USA CREE LED chip, the fixture produces warm white 3000K light with CRI 90 for accurate color rendering and excellent visual comfort. Its 20° focused beam angle makes it ideal for highlighting artwork, display areas, feature walls, and architectural elements. Constructed from durable aluminum, it provides excellent heat dissipation and reliable long-term performance.

Technical Specifications:
