

# Ceiling Mounted Mini Downlight – 7W

Drawing CODE: SLC

Product CODE: ISH-SLC78080-7W

BRAND:ARCHLUX

## Product description:

The Mini Ceiling Mounted Downlight is a premium architectural LED fixture designed for modern residential, commercial, retail, and hospitality interiors. Featuring a compact cylindrical design with elegant Matt White or Matt Black finishes, it provides a clean and sophisticated appearance while delivering precise architectural illumination.

Constructed from high-quality aluminum, the fixture offers excellent heat dissipation, durability, and long-lasting performance. Its 20° focused beam angle produces controlled accent lighting, while the integrated LED delivers warm white 3000K illumination for comfortable and visually appealing environments. Ideal for highlighting architectural features, artwork, display areas, and decorative interiors.

## Technical Specifications:

| Parameter         | Specification                                                                |
