

MINI ROUND DOWNLIGHT 3W

Drawing CODE: TSD009-35-XX

Product CODE: ISH-TSD009-35-XX

BRAND:ARCHLUX

Product description:

The Mini Round Downlight 3W (C2) is a compact, high-performance lighting solution equipped with USA CREE LED technology. Designed for precision accent and architectural lighting, it delivers focused illumination with a 15° beam angle, making it ideal for highlighting specific areas or objects.

Available in black and white finishes depending on model code, this downlight operates at 3000K warm white color temperature and is suitable for modern residential and commercial interiors. Its compact body allows easy installation in tight ceiling spaces.
