

Indoor Wall Light Square

Drawing CODE: WL

Product CODE: ISH-WL126B

BRAND:
 ARCHLUX

Product description:

The Indoor Wall Light Square 3W is a modern architectural LED wall light designed to provide soft, comfortable illumination for residential, commercial, and hospitality interiors. Featuring a sleek square profile available in White and Black finishes, it complements contemporary interior spaces while creating an elegant lighting effect for corridors, bedrooms, living areas, stairways, hotels, and feature walls.

Powered by a high-performance USA CREE LED chip, the fixture delivers warm white 3000K illumination with flicker-free operation, ensuring visual comfort and stable lighting performance. Its 60° beam angle provides smooth light distribution, while the durable aluminum construction ensures excellent heat dissipation and long service life.

Technical Specifications:

Parameter	Specification
Product Type	Indoor Wall Light – Square
LED Source	USA CREE LED Chip
Power Consumption	3W
Input Voltage	AC 240V
Color Temperature	3000K Warm White
Luminous Flux	145–156 lm
Color Rendering Index (CRI)	≥80
Beam Angle	60°
Flicker	Flicker-Free
Material	Aluminum
Body Finish	White / Black
Fixture Size	135 × 135 × 26 mm
Installation Type	Surface Wall Mounted
Protection Rating	IP20
Application	Homes, Hotels, Offices, Corridors, Stairways, Living Rooms & Architectural Interior Lighting
