

LINEAR WALL WASHER - 9W

Drawing CODE: WW

Product CODE: ISH-WW-9W

BRAND:ARCHLUX

Product description:

The Linear Wall Washer – 9W is a premium floor recessed LED wall washer designed for compact architectural illumination and refined outdoor lighting applications. Powered by a high-efficiency USA CREE LED chip, this 9W fixture delivers consistent, energy-efficient illumination with excellent color accuracy and long-lasting performance.

Emitting a warm 3000K light with CRI 90, it produces smooth and uniform wall washing effects for surfaces up to 4 meters in height, making it ideal for highlighting façades, boundary walls, landscape elements, and architectural textures. Constructed with a durable aluminum housing and stainless steel frame, it offers outstanding corrosion resistance and heat dissipation. The fully sealed IP67 waterproof construction, combined with an integrated waterproof sealing system, ensures reliable operation in demanding outdoor environments.

Technical Specifications:

Parameter	Specification
Product Type	Floor Recessed LED Wall Washer
Power Consumption	9W
LED Source	USA CREE LED Chip
Input Voltage	AC 240V
Color Temperature (CCT)	3000K Warm White
Color Rendering Index (CRI)	90
Lighting Effect	Wall Washer (Up to 4m Wall Height)
Material	Aluminum Housing + Stainless Steel Frame
Protection Rating	IP67 Waterproof
Installation Type	Floor Recessed with Backbox
Dimensions	300 × 90 × 75 mm
Sealing System	Integrated Waterproof Structure with Filling Glue & Waterproof Plug
Performance	High Efficiency, Uniform Light Distribution, Energy Efficient
Application	Building Façades, Boundary Walls, Landscape Lighting, Architectural Accent Lighting
