

ADJUSTABLE FLOOR MOUNT FLOOD LIGHT

Drawing CODE: WW12106

Product CODE: ISH-WW12106-2Y

BRAND:ARCHLUX

Product description:

The Adjustable Floor Mount Flood Light is a premium outdoor LED fixture designed for durable architectural and landscape illumination. Powered by a high-performance USA CREE LED, this compact 3.5W fixture delivers efficient 3000K warm white illumination, making it ideal for highlighting pathways, façades, gardens, walls, and architectural features.

Its adjustable floor-mounted design provides precise directional lighting control, allowing the fixture to be positioned according to the desired lighting effect. Constructed from durable die-cast aluminum, it provides excellent heat dissipation and long-term reliability. The IP65 weatherproof rating ensures reliable protection against dust and water exposure, making it suitable for year-round outdoor installations.

Technical Specifications:

Parameter	Specification
Product Type	Adjustable Floor Mount Flood Light
Input Voltage	100–240V AC
Power Consumption	3.5W
LED Source	USA CREE LED
Color Temperature (CCT)	3000K Warm White
Material	Die-Cast Aluminum
Protection Rating	IP65
Installation Type	Floor-Mounted Adjustable
Adjustment	Adjustable Directional Lighting
Performance	Energy Efficient, Durable, Precise Directional Illumination
Application	Landscape Lighting, Façade Accent Lighting, Garden Illumination, Pathway Lighting & Architectural Lighting
