

SINGLE SHOOTING SPIKE - ADJUSTABLE

Drawing CODE: WW12109

Product CODE: ISH-WW12109-2Y

BRAND:ARCHLUX

Product description:

The Single Shooting Spike – Adjustable is a premium outdoor LED spotlight designed for precise accent lighting and landscape illumination in residential, commercial, and architectural environments. Powered by a high-performance USA CREE XTE SMD LED, this compact 3W fixture delivers focused 3000K warm white illumination, making it ideal for highlighting trees, plants, façades, pathways, and outdoor architectural features.

The adjustable spike-mounted design allows flexible positioning and directional control, enabling customized lighting effects for different landscape and architectural applications. Constructed from durable die-cast aluminum and PC, it provides excellent heat dissipation, impact resistance, and long-term reliability. With an IP65 weatherproof rating, the fixture is suitable for reliable outdoor operation in various weather conditions.

Technical Specifications:

Parameter	Specification
Product Type	Single Shooting Spike Adjustable Spotlight
Input Voltage	100–240V AC
Power Consumption	3W
LED Quantity	1 LED
LED Type	XTE SMD LED
LED Chip Brand	USA CREE
Luminous Flux	100 lm
Color Temperature (CCT)	3000K Warm White
Material	Die-Cast Aluminum + PC
Protection Rating	IP65
Installation Type	Adjustable Spike-Mounted Spotlight
Adjustment	Adjustable Directional Head
Performance	Focused Illumination, Energy Efficient, Durable Outdoor Construction
Application	Landscape Lighting, Garden Lighting, Tree Highlighting, Façade Accent Lighting & Outdoor Decorative Illumination
