

LINEAR WALL WASHER 10W

Drawing CODE: XT

Product CODE: ISH-XT-10-W

BRAND:ARCHLUX

Product description:

The Linear Wall Washer 10W is a premium recessed architectural LED fixture designed to provide smooth and uniform wall-washing illumination for modern interior applications. Its slim linear design creates an elegant lighting effect, making it ideal for highlighting walls, textured surfaces, artwork, and architectural features in residential, hospitality, retail, and commercial environments.

Powered by a high-performance USA CREE LED chip and a reliable Lifud driver, the fixture delivers warm white 3000K illumination with stable performance, excellent energy efficiency, and long service life. Finished in White and designed for recessed installation, the Linear Wall Washer offers a clean architectural appearance while producing a refined and consistent wall-washing effect.

Technical Specifications:

Parameter	Specification
Product Type	Linear Wall Washer LED Fixture
