

MODERN WALL LIGHT - 2 DIRECTION 13W

Drawing CODE: ESPL

Product CODE: ISH-YY-BDSXXXX

BRAND:ARCHLUX

Product description:

Premium outdoor LED wall light designed for architectural accent lighting, façade illumination, landscape lighting, and modern exterior applications. Powered by high-performance USA CREE LED technology, it delivers focused 3000K warm white illumination through a precise 15° narrow beam. The durable aluminum construction with black finish and IP65 weatherproof protection makes it suitable for demanding outdoor environments.

Technical Specifications:

Specification	Details
Product Type	Narrow Beam LED Wall Light
LED Source	USA CREE LED
Color Temperature (CCT)	3000K Warm White
Input Voltage	AC 100–240V
Driver	Built-In AC 100–240V Driver
Beam Angle	15° Narrow Beam
Material	Aluminum
Finish	Black
Protection Rating	IP65 Weatherproof
Installation Type	Wall Mounted
Application	Building Façades, Villas, Hotels, Gardens, Pathways, Landscape Lighting, Architectural Features, and Commercial Projects

Available SIZES :

Power	Dimensions
3W	L90 × W90 mm
9W	L90 × W90 mm
18W	L120 × W120 mm
