

PHANTOM WHITE DOWNLIGHT

Drawing CODE: DL

Product CODE: ISH-ZC200-B-XX

BRAND:ARCHLUX

Product description:

The Phantom Black Downlight is a premium architectural recessed downlight designed for elegant and comfortable interior illumination. Featuring a deep anti-glare design with an integrated honeycomb glare control accessory, it reduces direct light exposure while creating a refined and visually comfortable lighting experience.

Constructed from high-quality aluminum, the fixture features a Full Phantom Black finish for a sleek and luxurious architectural appearance. Designed with a GU10 lamp holder, it provides flexibility for different GU10 LED lamp options while maintaining easy installation and maintenance. Available in Black and White finishes, the Phantom Black Downlight is ideal for luxury residential, hospitality, retail, and commercial interior applications.
